OUR PHOTOS

THE VERANDA & GARDEN

The Garden & covered veranda is a perfect setting for an outdoor ceremony or reception. 2500 sq ft. of covered wood trusses, two large ceiling fans, concrete cobblestone & iron gates frame this lovely space.

Our garden is 3000 sq ft. and filled with native Dogwood trees, Chrysanthemum's, Roses, Boston Ivy and Holly. Complete with three tiers of dry-stacked rock walls and a built-in ceremony space with arbor. Our couples have enjoyed using it to have ceremonies, cocktail hour, playing games, receptions and it's a great backdrop for pictures.

It works during the day and at especially at night when the strings of Edison lights and up-lit trees make the garden come alive. There are two entrances to the Veranda, one is directly connected to the Brick Ballroom and the other opens to the street. This allows you a direct entrance into the garden and connection into the rest of the facilities. Giving you quick entrance to your reception whether inside or out.

FREQUENTLY ASKED QUESTIONS

How do I reserve a date?

A signed rental agreement and a 30% non-refundable deposit are required to reserve a date.

Is alcohol allowed?

Yes. we do not provide the alcohol and we recommend consulting your homeowner's insurance company for event insurance just so you are covered. We also require a licensed bartender, we can offer a list of names if needed.

If my wedding is on a Saturday and there is a wedding on that Friday, where can I rehearse for my ceremony?

Traditionally, rehearsals are held the day before the weddings. Since Friday and Sunday weddings are increasingly popular, access to the venue two days in a row isn't often not an option at the Brick Ballroom. If an event is booked for the day before your rental we recommend still having a rehearsal either in another location or scheduling an hour before the wedding (an additional hour for free).

Do you have a list of caterers, florists, DJ's and other vendors you can recommend for our wedding?

Yes. we are more than ready to help with suggestions in all areas. You are not required to use certain vendors and outside catering is allowed.
